

About the CD Project

Our first CD began as a Crossen Christmas CD for friends and family, and grew into something more as we worked on it. Ken wanted to capture the richness of different voices, voices that weren't being published, and give our community a chance to appreciate these voices. The result was **Butterfly On The Wind**, and now **Come Shining Through**. We are not selling these CD's, we are giving them away.

Our intent is to continue this recording project and make more CD's. If you want to be part of this effort, you can make a donation by sending a check, made out to "Ken Crossen CD Fund", to Ken Crossen, 1116 Marshall Road, Pittsboro, NC 27312.

To get on our list of announcements of concerts and more CD's, send your email address to crossen@mindspring.com.

Thank you to the children and teachers at the Mary Neal Child Care Center in Pittsboro, and to Reverend Carrie Bolton, who comes shining through for so many in our community. Many, many thanks to those who sent encouragement, appreciation, and to those who made donations in support of this project. It's a lot more fun with an appreciative audience. Thank you to all of the musicians on this CD; it has been such a privilege working with you to record your music, and then such a joy to listen.

To Faye - fly away, bright bird, to your shining ocean.

- Ken
