About This Recording We created this recording by gathering together, putting a single
microphone in the center of the room, and singing from the heart. We learned as we
went along, trying to catch some of the magic. We wanted the richness of different
voices, the singing and breathing of angels. Sing with us.

This CD is a gift to our rich and vibrant community which has nurtured the flowering of
this music. It is our hope that it bring healing, inspiration, and joy. We are not selling
these CD's, we are giving them away as part of the Ken Crossen CD Project. You may
make a donation by sending a check, made out to "Ken Crossen CD Project", to Ken
